

ABOUT US

MDS LTD is a Rwandan registered Consultancy company born in 2019 Founded by Mr. Donald MASIMBI after graduating with a Master's degree in Economics at Kigali Independent University (ULK). The idea was coming during the period of writing a Master's thesis which was about to investigate the relationship between Inflation and the Unemployment rate in the East African Community (EAC), Panel data analysis a period of 1995 to 2021. In this research, the thesis was bound on the Philipps curve theory by Examining the short and long-run relationship between Inflation and unemployment rate in Rwanda the result showed that there is no short or long-run relationship between this these two variables in East Africa from that time I decided to keep in macroeconomic research to find out what is causing high Inflation, high unemployment, why Rwanda still Experiencing budget deficit, deficit balance of payment with all other macroeconomic perspectives. regarding that macroeconomic accuracy, I will be able to provide good pieces of advice to those who want to invest their money in Rwanda. this will be able to provide full guidance in Financial Literacy, Money Management, Accounting, or any other assistance like thesis writing, project plan elaboration, Monitoring & Evaluation on ongoing projects, job search guidance, career guidance, market, and other technological surveys, etc.

The objectives

- ❖ To provide world macroeconomic news
- ❖ To show Monthly Investment Opportunities around the world
